An agreed solution based on a bizonal, bicomunal federation with a single sovereignty, a single citizenship and a single international personality,

WHEREAS Turkey continues its policy of promoting the illegal secessionist entity in the occupied part of the Republic of Cyprus undermining the sovereignty, territorial integrity and unity of the Republic of Cyprus.

WHEREAS, Turkey continues to violate the human rights and fundamental freedoms of the people of Cyprus,

WHEREAS, the continuing usurpation and illegal exploitation of Greek Cypriot homes and properties in the occupied part of the Republic of Cyprus create additional obstacles to the efforts for a just and lasting resolution of the Cyprus problem,

WHEREAS, Turkey continues to act against Cyprus' sovereign rights to explore and exploit the natural resources in its exclusive economic zone,

WHEREAS, Turkey continues to show its intransigent stance by not fulfilling its obligations towards the international community in the pursuance of a comprehensive, just and viable settlement of the Cyprus problem in accordance with the relevant UN Security Council Resolutions and the values and principles of international and EU law,

RESOLVED:

WE CONDEMN the continuing and illegal occupation of 36.2% of the territory of the Republic of Cyprus by Turkish troops, the illegal colonization and the continued looting and destruction of the religious and cultural heritage in the occupied part of the Republic of Cyprus as well as the illegal exploitation of Greek Cypriot properties in the occupied areas;

WE BELIEVE that a just, viable and functional solution to the Cyprus problem should be based on the principles of international law, the EU *acquis communautaire* and the principles upon which the EU is founded, in accordance with the relevant UN resolutions on Cyprus and the High Level Agreements of 1977 and 1979;

WE APPLAUD the leadership, determination and continuing efforts of the President of the Republic HE Mr Nicos Anastasiades to reach a comprehensive settlement based on the UN Security Council Resolutions, for a bizonal, bicomunal federation with a single sovereignty, single citizenship and single international personality, and with political equality as set out in the relevant UN Security Council resolutions;

WE CALL UPON the leader of the Turkish Cypriot community to engage constructively and to abandon negative positions which create obstacles in the efforts for the reunification of Cyprus to the benefit of all its people;

WE CONDEMN the Turkish provocative & illegal actions against the sovereign rights of the Republic of Cyprus to explore and exploit the natural resources in its exclusive economic zone in accordance with international law, in particular the UN Convention on the Law of the Sea;
